## Preschool Program Sun, Moon and Stars

The preschoolers will be exploring the sun, moon, stars, and our planets this month. Outer space is fascinating to Preschoolers. We are planning a short musical program with this theme in mind on Jan. 25 & 26. Hope all can join us. This program will be presented during our regular class time. Invitations to come later this month.

## Alphabet

Look for our “Letter of the Week”. We are learning rhyming, alliteration and syllabication as we play with letters.
