Dear MMSA Parents,

In this envelope, you will find your child's Mid-Trimester Reports. Please take time to review each grade/report with your child. As you know, these grades are not a part of the student's permanent record, but simply an indicator of how they are doing in each of the subject areas. The reports give them an indicator of those classes they may need to improve on before their final report card comes home. As always, please feel free to call the MMSA teachers if you have any questions.

Please make sure you have reviewed each of the following Mid-Trimester Reports with your child, before signing and returning this cover letter only to the school office. The attached detailed grade reports are for you to keep. We are using the new Cornerstone Student Information System to generate the Mid-Trimester Progress Reports if you notice any discrepancies or have any questions please do not hesitate to contact your child(ren)'s teacher. Please return this cover letter to your child's advisory teacher by Friday, October 28th.

Thank you!
