The MMSA Marathon is one of the largest fundraisers of the year for Maternity of Mary ~ St. Andrew School. MMSA students join over 150 schools across Minnesota and well over 10,000 participants who walk, run, or bike to benefit Non-public education. Students ask friends and family members to "sponsor" their participation in the Marathon. 2 & 5 Day Pre-School students will participate in a Mini-Mini Marathon on Thursday, September 29th. 3 & 5 Day Pre-School and Kindergarten through 2nd grade will have a Mini-Marathon on Friday, September 30th at MMSA. 3rd through 8th grade students (younger students are welcome to attend too) will participate in the Marathon on Saturday, October 1st at Central Park in Roseville. Every single donation goes directly toward our school's educational programming. Our goal this year is to raise over $26,000 - That's $150 per student!
