Faith in Every Child...

Maternity of Mary - St. Andrew School

From the founding of Maternity of Mary Catholic Church in 1949 and the Church of St. Andrew in 1895, Maternity of Mary - St. Andrew school has been a pillar in the rich tradition of Catholic education in the Como Park neighborhood for well over half a century.

Mission Statement

In answer to the call of Jesus Christ, Maternity of Mary - St. Andrew Catholic School is dedicated to providing a Catholic education that develops the unique gifts of each student, in an environment that promotes academic excellence, spiritual growth, and social responsibility.

Vision Statement

Maternity of Mary - St. Andrew School graduates inquisitive, compassionate, prayerful students who enter high school with a strong academic, moral, and spiritual foundation. They demonstrate a love of learning, an enthusiasm for their Catholic faith, an awareness of their God-given identity, and a strong commitment to community service.

“When our daughter started out at MMSA, we knew it would be a caring, academically challenging environment to nurture her growth and learning. What has surprised us is how everyone at the school - from the principal and teachers, from the parents and the students, to the larger church communities that support that education - everyone works hard to develop the whole child, heart, mind, and soul. It is a community that believes - in education, in our children, and in a greater vision of what they can become.”
